

pure collagen

Protein Peptides

Size: 20 oz. (560 g) | Serving: 1 scoop (20 g) | Per Container: 28

Skin, Hair, Nails & Joint Support

Pure Collagen is packed with essential nutrients and amino acids to help you look and feel your best. With age, the body's natural collagen production decreases, leaving less to support vital internal and external structures. Our protein peptide supplement helps revitalize the collagen levels in your body, which may reduce the signs of aging, promote stronger joints and muscles, maintain bone density, revive hair and nails, and restore skin elasticity. Collagen is also believed to improve gut and heart health.

Our **Pure Collagen** powder mixes instantly into your coffee, tea, or protein shake, making it easy to give your body a nutrient-rich, amino acid-packed boost.

Key Features

Revitalizes body's collagen levels to combat signs of aging†

Collagen types I & III are key to repairing bones, nails, hair and skin†

Provides structural support to nails, hair, skin, tendons, bones, cartilage & joints†

May help to improve gut health, boost mood & speed up metabolism†

Delivers 20g collagen, 18g protein, 1200mg BCAAs & 18 amino acids per serving

Flavorless formula instantly dissolves into any beverage

Free of dairy, gluten & soy

Grass fed & non-GMO

Keto & paleo friendly

Key Messages

Delivers 20g collagen, 18g protein, 1200mg BCAAs & 18 amino acids per serving

Restores collagen that the body produces less of with age

Supports the body's internal and external structures

Revitalizes youthfulness in outward appearance and inward sensation, including promoting skin elasticity, decreasing joint pain, improving muscle flexibility, and more.

SUPPLEMENT FACTS
Serving Size: One Scoop (20g)
Servings Per Container: 28

	Amount Per Serving	% Daily Value
Calories	70	
Protein	18 g	
Sodium	114 mg	5%
Collagen Peptides	20 g	**

The % Daily Value tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

TYPICAL AMINO ACID PROFILE
(Average milligrams per serving naturally occurring)

Alanine	1,620 mg
Arginine	1,680 mg
Aspartic Acid	1,320 mg
Glutamic Acid	2,480 mg
Glycine	4,120 mg
Histidine*	160 mg
Hydroxylysine	240 mg
Hydroxyproline	2,280 mg
Isoleucine*+	300 mg
Leucine*+	580 mg
Lysine*	680 mg
Methionine*	120 mg
Phenylalanine*	420 mg
Proline	2,300 mg
Serine	680 mg
Threonine*	380 mg
Tyrosine	100 mg
Valine*+	480 mg

* Essential Amino Acids
+ Branched Chain Amino Acids

Directions: Add 1 scoop to any cold or hot beverage. Instantized for easy mixing.

Other Ingredients: N/A

Storage: Store in a cool, dry place. **KEEP OUT OF REACH OF CHILDREN.**

Warning: As with any supplement, if you are pregnant, nursing or have a medical condition, consult your doctor before using this product. This product is manufactured in a facility that processes milk, fish and tree nuts.
